

Trailmaster Weekend

“Build a Trail, Leave a Legacy

The High Knoll Trailmaster weekend is scheduled for April 5-7, 2019 at Camp Ottari. Units from across the council are invited for a weekend of conservation training and practice. Programs will include trail construction and maintenance, woods tool skills and safety, conservation awards and programs, map and compass skills. A unique patch is being created for the Trailmaster Corps.

This event is designed for scouts. Some units bring their new scouts along for skills training while older scouts and adults participate in the Trailmaster Program. This event is not age appropriate for Cub Scouts.

Campsites are available on Friday and Saturday nights. Weather is uncertain in Spring so be sure your scouts bring waterproof boots, warm clothing, and rain gear. Troops are responsible for their own meals during the weekend including a packable lunch for Saturday. For the trail projects on Saturday, long pants, work gloves, day pack and a water bottle are recommended.

Schedule

Friday April 5	4:00-8:00	Registration and campsite setup
	8:00-9:00	Orientation
Saturday April 6	8:00-9:00	Basic trail building and maintenance
	9:00-5:00	Trail projects
	5:00-7:00	Dinner
	7:00-9:00	Evening programs
Sunday April 7	9:00-10:45	Morning program
	11:00	Award program

For additional information, contact Dan Brown danbrown2506@comcast.net or 540-951-3642 (H) or 540-951-5516 (O) or 540-239-2786 (M).

A patch with rockers has been created for the Trailmaster. First time participants (youth and adult) will receive the trailmaster patch and earn the Trail Crew rocker. It is recommended that participants learn the Outdoor Code before arrival.

Participants returning from previous years can earn the Trail = rockers. Candidates for rockers should contact Dan Brown and talk to their Scoutmaster about completing the Leave No Trace Achievement Award.
