

WILDERNESS CAMP CREW PROGRAM

Making the Blue Ridge Scout Reservation a better place to Camp and enjoy the Scouting Experience!

THE CHALLENGE

Each base camp (Powhatan, Ottari, and Claytor Lake) is staffed with one full time ranger. The countless tasks required to maintain and improve the reservation's real estate and infrastructure far exceed the capabilities of one person.

VISION OF SERVICE

Under the guidance and supervision of the reservation superintendent and camp rangers the WCC performs meaningful projects that maintain and improve the camp's facilities and appearance. The WCC follows all council processes and guidelines.

WHEN DOES THE CREW WORK?

- Wednesday is the normal camp work day during the Spring, Summer, and Fall.
- Dates during the winter are established based on manpower, availability and weather constraints
- Work begins at 9:00 AM and usually ends at 3:00 PM but hours are flexible.
- Crew members are encouraged to provide their own lunch, snacks and any personal tools and equipment you so desire. (Lunch provided if camp is in operation)

WORK PROJECTS AVAILABLE

- Painting and staining buildings and program areas.
- Landscaping needs
- Upgrading and repair buildings and program areas
- Seasonal maintenance on vehicles and boats
- Housekeeping needs of buildings and grounds
- Organize yard sale in spring
- Any other needs that may arise

HOW TO BECOME INVOLVED

Membership in the Wilderness Camp Crew is open to all. As a team supporting the camp rangers, the Wilderness Camp Crew recruits members with working knowledge skills (carpentry, electrical, plumbing, painting and those desiring to lend a helping hand.)

If interested in becoming a crew member please contact Dan Grubb - VP of Program;
540-320-9224; dangrubb1@outlook.com for more details.
