

Let's get BSA license plates in Virginia approved in time for our 100th birthday! We are over halfway to our goal of 350 paid applications, so help us get BSA plates into production. We need your help!

BSA plates cost only \$10.00 (\$20.00 for personalized plates). Log in at www.scoutingvirginia.org and look for the license plate on the lower right side. What we really need right away, though, is your completed [vsa10](#) application, your check (or credit card number on the application), and mail it all to our collection point for Virginia:

BSA License Plates
Heart of Virginia Council
P.O. Box 6809
Richmond VA 23230

[Note: Make checks payable to “BSA” and write “License Plates” in the memo section.]

There shouldn't be any reason why we can't reach 350 applications in time for our Centennial celebration. Do not delay! Direct questions to Todd Martin, Heart of Virginia Council, todd.martin@scouting.org, or 804-204-2613. Thanks for supporting Boy Scouting in Virginia!

Note: DMV does not acknowledge plates until well after they are approved by the Virginia Legislature and will not accept BSA specialty plate applications. The VSA 10 form can be downloaded from www.dmvnow.com, but the paid application must be sent to Heart of Virginia Council, BSA. Thanks!
