Scoutmasters, Crew Advisors, Parents, and Scouts:

Baden Powell's vision of Boy Scouting was centered on the patrol method and youth leadership. Having well-trained youth leadership within the troop or crew is an important part of providing a good experience for everyone involved. The National Youth Leadership Training (NYLT) program provides your youth leaders with valuable leadership training and experience.

NYLT teaches Scouts and Ventures leadership skills and challenges them to think about what it means to be a leader. Participants are placed into patrols where they will work together by using their skills of camping, fire building, cooking, as well as participating in leadership-building activities and presentations.

NYLT is - an intense, challenging 6-day outdoor training course designed to develop Unit Youth Leaders...for ages 13 to 18 years old...a positive experience for youth leaders...focused on What a Leader must **BE**, What a Leader must **KNOW**, and What a Leader must **DO**.

Take home benefits from NYLT include:

- experience of a youth led training course.
- skills of visualizing success, setting goals to accomplish vision, developing a plan to get there.
- learning to lead others, communicate, develop a patrol, apply a leadership style.
- experience in problem solving, making ethical decisions, valuing people, and teaching skills.

To comply with COVID-19 regulations for camper safety and healthy wellbeing, NYLT will:

- conduct a thorough cleaning and disinfecting of camp common areas, program areas, and equipment prior to the course.
- have all attendees (youth and adult) (1) complete the BRSR 7-day Pre-Screening form at home and (2) have their temperature taken at Health Check-in upon entering camp.
- conduct course in accordance with the Governor's COVID-19 guidelines.
- practice physical distancing in all aspects of the program.
- total group size will be fewer than 50 people ... practice enhanced camp safety daily.
- have heightened cleaning and disinfection daily per the Virginia Department of Health.
