

# Summer Camp Fees

## 2022

### Camping Options on Blue Ridge Scout Reservation

All base camps will feature professional food service.

An asterisk (\*) indicates a provisional program, meaning Scouts can attend individually without units or their leaders. They usually camp at an outpost designed for the program and not with their unit.

Early Bird Fees end April 15, 2022, after that Regular Fees apply when payment is made. Initial registration fees may be lower as the charts below include any class/program specific fees that will be added to the basic fees when selecting classes/programs. See the catalog for classes/programs. Fees in the chart reflect total cost, after class/program specific fees are added.
